WESTERN DAYS HUGE SUCCESS: In spite of a sour note struck on Friday night by raiding Sheriff's Deputies, 1952's Western Days celebration closed on Sunday with a general feeling of satisfaction, and a tired but happy public went home to "rest up". Incidentally, Sheriff Whitmore refused to press charges so the "gambling raid" turned out to be a waste of time and tempers. Whitmore declared that since this was for the Lion's Club Welfare program--no gambling charges should or would be forthcoming. The feeling in Brisbane is that the raid was a huge mistake on SOMEBODY'S part--and resulted in nothing but more adverse publicity for Brisbane--of which there is far too much already!

The Midway opened on Friday night, with the presentation of the checks to the winning Queen candidates. Judy Woodard was presented with first prize of \$200; Carol Chapman received 2nd prize of \$50.00; and Jo Ann Tucker took third place with \$25.00. 4th and 5th place winners, Barbara Kyles and Joan Stewart were not present to receive their checks of \$15 and \$10, having left for a vacation trip. Judy was lovely in a black and white leather cowgirl outfit; Carol wore green with yellow accessories; while Jo Ann was cute in a white suede cowgirl outfit. Accompanying the Queen contest winners was a short program on the platform starring T V & Radio star Joan Blackman, with the 3-pe orchestra known as the "Knick-Knacks", consisting of Frank Blackman, George Prevozich, and Jim Hierley.

There were dances at the Legion Hall on Friday, Saturday, and Sunday nights; with a floor show given by the Carrol Quintet and Co. on Friday and Sunday. An hour long show was given immediately following the parade on Sunday, with Bunnie Carroll's Studios Stars; during which a high spot was the impromptu performance by Brisbane's own Bridget Budd! REPORT FROM BLAIRS RANGERS: In case you were wondering---those "back-woods" characters marching in the Western Days parade were the Bear Flag Ranger's. Present for duty were CAPT. "IDE" BLAIR: "COUSIN JACK" HOSKING (Color Sgt.): "CALIFORNIA JOE" RUNT TRANTHAM: "ROOSHUN PETE" KUTNEY: "THREE FINGERED JACK" DEMARCO: & "INJUN ANDY" YEZELLE. (Note; Cousin Jack and Three Fingered Jack got wounded before we took Sonoma--got that stealing eggs in Petaluma--but they fought gallantly until the California Republic was established. We would have captured a few more places, but Capt. Ide had to be at the Cow Palace at 4:00 p.m. We also regret we did not have time to dig up GOOIE FOOIE, our Chinese cook--but hope to call him back from his ancestors at some future date.

Incidentally--those above present for duty as Bear Flag Rangers are not ALL! There are many more we will call at some future date. Their number is Legion!!

To all members of Blair's Rangers present for duty on Parade Day, I say--"WELL DONE!" I thank the Lion's Club for the Guard Duty they gave the Rangers, and the Show Management for the work they gave them, and the Rangers are all proud they had a chance to earn some money. I know they appreciated it--and I trust they did the job well. Last, but not least---I am sure there were a lot of proud Moms and Dads watching when the Ranger Company marched by!--Respectfully yours, CAPT. BLAIR--C.O.

RUNAWAYS SPEND WEEK IN CABIN IN BRISBANE: Two Oakland boys with a taste for adventure headed home last week after spending nine days in a cabin at Brisbane, doing their own cooking and maintaining themselves in style. The boys only adult companion was a huge Great Dane for whom they managed to procure the large quantities of dog food necessary for a dog of that size. They called the dog "Boy". The boys were Lodell and Jerry Thweatt, 11 and 8 years of age; and the sons of Mr. and Mrs. Oscar Thweatt of Oakland. They told Deputy Sheriff Peter Bolich that they left home on a Monday, and had since been batching in a cabin in the Brisbane hills, owned by Charles Mozzetti, who located them in his cabin on Wednesday of last week. The boys told authorities that after running away from home in search of adventure, they stowed away aboard a soldier's car, crossing the Bay Bridge unknown to him. In San Francisco they acquired a bicycle and adopted or were adopted by the Great Dane--an expensive fawn-colored female. With "Boy", the two brothers made their way to Brisbane, where they acquired a second bicycle. They told deputies they hooked up the electric stove at Mozzetti's cabin, and earned the food they cooked by washing cars and working in gardens. When found, the boys were competently cooking a stew. They were taken to the County Juvenile Hall at Hillcrest, where their parents were to come and pick them up. What kind of "home-coming" they enjoyed (?) has not been revealed to this paper!

IN REGARDS POSSIBLE BANK HERE: "Dear Mrs. Reece; In regards to a bank in our little city, I, for one, think it would be wonderful. We do need one badly, as it would be so handy. Even if the Banks aren't too far away, it takes one's time to go to them, not to mention the gas or bus fare! It would also give employment to many right here in Brisbane. I think everyone in Brisbane should vote "yes" for a Bank in Brisbane. ---signed, MRS. GOLDA FOGLEMAN."----Thank you, Mrs. Fogleman. Now--the next thing on the engenda is this:--WATCH FOR THE PETITIONS SOON TO BE PLACED IN THE LOCAL BUSINESS HOUSES. Read them over carefully before signing--then, sign your name; your address; and answer the questions which will be asked you with a "yes" or "no". When the petitions are filled, they will be sent or taken to the proper parties representing the various banks. The first bank to take heed will be the bank which will serve Brisbane. Remember--WATCH FOR THE PETITIONS!

REPORT FROM THE BRISBANE P.T.A.--by Dorothy Radoff, publicity.

Weaving help for others is one of the major activities carried on by Mrs. Agnes Whitson, Brisbane P.T.A. member. Once a week for over four years she taught weaving to students of El Portal school. For children afflicted with cerebral palsy, weaving quiets the nerves, strengthens the muscles, and promotes better co-ordination.

While president of the Brisbane unit, Mrs. Whitson learned of the school's need for help. "This, coupled with the fact that two Brisbane children attended the school, led me to volunteer my services," she says. What was her most interesting experience? The weaving instructor believes it was teaching a student, unable to use her hands, to weave with her feet!

In addition to teaching weaving, Mrs. Whitson has been assisting for over five years at Brisbane's Well Baby Clinic--which is staffed by Brisbane P.T.A. members. Because of her outstanding contribution to child welfare Mrs. Whitson was presented with a life membership by the P.T.A. unit in 1950.

OIL FOR THEIR LAMPS..... Your Brisbane P.T.A.'S yearly purchase of an Honorary Life Membership for some deserving person who has done outstanding work for children helps to maintain the STUDENT LOAN FUND, established in 1925 by the California Parent-Teacher group. On the roster of the Student Loan are the names of numerous young people who have made outstanding achievements in various fields. NEW DEAN OF GIRLS AT JEFFERSON HIGH: Miss Ada Wood of Oakland, has been employed as Dean of Girls at Jefferson Union High School. She will replace Miss Helen Dobbie, who resigned to accept a teaching position at San Mateo High School. Miss Wood is a graduate of the University of California, receiving both a Bachelor's and a Master's Degree from that institution. She is now completing the work for the degree of Doctor of Education at Stanford. The new dean taught at Newman, and at Pacific Grove High Schools, becoming Dean of Girls at the latter school. She comes with exceptional recommendations and is expected to be of much help to the girls and the entire school. Miss Wood's dissertation for her Doctor's Degree was an Employment Opportunities for California Women. She's a recognized authority on remedial reading and a member of Phi Beta Kappa, national honorary scholastic fraternity.

REPORT FROM THE DEMOCRATIC NAT'L CONVENTION:--"The national convention resulted in unifying the Democratic party more strongly than before--thus assuring victory in November," said Frank Rose, chairman of the San Mateo County Democratic Central Committee. Rose, who was a delegate to the convention, returned to his home in San Mateo on July 30th. "I found, from my own personal contacts", he said, "that the delegates from the southern states had come to Chicago determined to stay. When the convention ended, they were generally well satisfied with the platform and with nominees Governor Adlai Stevenson and Senator John Sparkman, regardless of reports to the contrary." Rose predicted that all of the southern states would vote overwhelmingly for the Democratic nominees in the coming elections. Praising George Miller Jr., leader of the California delegation, Rose stated, "we worked harmoniously under Miller's direction and kept faith with the California people who had voted for Kefauver. We became a well integrated group and feel that our experience will strengthen party unity in this state." Rose added--"the many committee meetings and the long convention sessions gave us very little time to do anything but work; most of us, who were attending a national convention for the first time, found the proceedings very exciting. We were greatly inspired by the personalities, records and speeches of Governor Stevenson and Senator Sparkman and are certain they will be elected President and Vice-President. Senator Estes Kefauver proved himself great in defeat, and will become increasingly more important nationally." Rose announced that the San Mateo County Democratic Central Committee would meet Wednesday in the Burlingame City Hall to give their official endorsement of Stevenson and Sparkman.

A "THANK YOU" LETTER FROM BOCCI: To the Editor of the Brisbane Byline;

"I would like to take this opportunity of thanking you for assisting me in my recent campaign for election to the Municipal Court. Without your help and that of many people like you, my campaign would not have been a success. Thanking you sincerely, I am--THOMAS L. BOCCI (Editor's note: Judge Bocci is, of course, referring to the advertising space allowed him on the pages of the Byline. The same amount of space was allowed to any and all political candidates in the June Primary elections. As for the free space, such as "News Releases"--the Byline pages are open to all campaign news releases, so long as personalities and name-calling are left out of them!--the editor.)

RED CROSS SWIM CAMPAIGN SET FOR AUG. 11: August 11 is the starting date of the final Summer Red Cross Swim Campaigns, held in cooperation with the San Mateo Union High School District. Classes will continue through August 22. With approximately 4000 enrolled thus far in the Red Cross Summer Swim campaigns, Chris Schultz, Water Safety chairman for the local Chapter, stresses the importance of early registration for the last course. Those who do not already have application blanks may obtain them at the Chapter House, 1449 Bellevue Avenue in Burlingame. Half hour classes at the Burlingame High pool will run from nine to 12:30 in the morning, those at San Mateo High Pool will be held from 9 a.m. to 4 p.m. Accredited Red Cross instructors will give classes for beginners, intermediates, and swimmers--with classes for advanced swimmers at San Mateo Pool and instruction for adults at the same pool at 2 p.m. Schultz also announced a Fall Swim Campaign to be held at the San Mateo Pool Saturdays only, starting Sept. 20th through Oct. 25th, from 10 a.m. to 5 p.m. A special hour long class for adults will be given at 2 in the afternoon, Schultz said. He urges immediate registration for this Fall Session, as facilities will be limited, with only one pool in use. For further information, call the American Red Cross at Diamond 3-4561.

TUESDAYS FIRES!!-- Four families were dispossessed by fire early this week when the four-family unit at 107 Sierra Point Road was almost totally destroyed by fire breaking out at 9:15 a.m. According to firechief Terry, the fire broke out in the lower front apartment, occupied by Mr. and Mrs. Tice and their two children. Also suffering fire and water damage were the apartments occupied by the Rulka, Menezes, and Warfel families. Chief Terry called Mrs. Mills, director of the Home Service Department of the San Mateo County Red Cross; she in turn sent a Mrs. Stewart here to supply clothing and shelter to the four families who lost practically all their possessions in the fire. The fire dept. had the fire under control by 9:45 a.m. Then the alarm blew again at 2:10 p.m.--a grass fire at Alvarado and Mariposa Streets--no damage. Of interest is the fact that Tuesday was the FIRST DAY of firechief Terry's vacation; and that fireman John Clancy is muttering over the loss of two Deluxe Papermate pens in the two fires!

VITAL STATISTICS: CONGRATULATIONS to Jim Tucker on his 20th birthday on Tuesday, August 5th; to Mr. and Mrs. Robert Barrow of 466 Sierra Point Road, for the birth of a son on July 21st, 1952; SYMPATHY to the family of MRS. ETNA FORSYTH, who was buried in the Golden Gate National Cemetery on Friday of last week; and to the family of WOODFIN REEVES, for whom Funeral Services were held early this week.

WESTERN DAYS PARADE: In spite of short notice, Brisbane managed to have a sizable parade for this year's Western Days Celebration. Queen Judy Woodard, escorted by Eddie Roland on his albino Palomino, led the line of march; followed by Capt. Blair and his Rangers, in step with the strains of "Sound Off"; and followed by the Bear Flag Rangers mentioned elsewhere in this issue. The Walter A. Blair Post VFW had a sizable entry including their colors, and their Queen contestant, lovely Carol Chapman. Several different organizations, clubs, and merchants had cars, jeeps, floats, etc., entered in the parade, followed by a number of horseback riders. Bringing up the rear was the Firetruck escorted by 3 motorcycles and bearing their Queen Contestant Jo Ann Tucker enthroned on the firetruck, with a large bouquet of flowers in her arms. The parade started promptly at 1 o'clock, at the head of Visitation Avenue, and broke up at the carnival grounds half an hour later.

LETTERS FROM SERVICEMEN: (New London, Conn., Aug. 4)---Dear Mrs. Reece:
I guess it's about time I decided to write you, isn't it??? I have kind of a guilty conscience, because after your being so thoughtful in sending me the Byline so regularly, the least I can do is write now and then. I want to report a change of address, and believe me, any change from my last address is bound to be good! Now I'm in Submarine School, and I will be until Sept. 26th, when I will graduate (I hope).

From what I have seen here so far, I know I will like Submarine duty very much. The fellas in this type of duty are entirely different from a regular sea-going sailor. These guys are all a bunch of characters; and at times, (for a split second or two) I even forget I'm in the Navy!

If you want to laugh--you should see this barracks after a week's end liberty. You have never seen so many patriotic sailors in your life---they all run around with Red, White, and Blue eyes! Most of these guys are pretty systematic about their drinking, though. One of my buddies has a very clever system. He won't drink unless he's alone or with somebody! Come Monday morning and we really have a bad-looking bunch of guys here. Some look so bad, we have to send them down to the blood bank to get their eyes drained!

Well, so much for the clowning around. I read in your Byline about Judy Woodard winning the Queen contest, and I read where the contest was pretty close. I'm afraid where it comes to beautiful girls, I would make a very good judge. I wouldn't be able to keep my mind on my work! I also read where Jimmy Crawford and a number of other men are back on leave. I have hopes of getting leave on the 28th of Sept., but like before, anything can happen.

Well, Mrs. Reece, I hate to rush off, but I do have a few things to do before Taps. I'll try real hard to write more often, and I'll be looking forward to receiving more of the Bylines. I really enjoy reading them. Until next time, then--don't work too hard, and don't let the coming election worry you--because I feel sure that one of the candidates will win! No--I guess that wasn't so funny after all!
Sincerely, VINCE BAGGETTA, RMSN, Box 7--S/M School A-3--U.S. Naval S/M Base--New London, Connecticut.

(Camp Pendleton, California--July 28)---Dear Gladys: I just got a few back issues of the Byline, and read that most of the guys are home. I am trying to get leave starting the 5th of August. I finally got myself a "racket"--I am a machine gun instructor. It's easy work, and I have a lot of liberty. I met a couple of guys here that I was over-seas with, and it was sure good to see them again. I just found out I get discharged the 28th of Nov. It's only four months, but it sure seems like a long time to me!

I guess you already know that I am engaged to a girl from Daly CITY. We are planning to get married next June. (That's what has been taking up all of my writing time!) Well--there isn't much news to write about, so I'll close for now. I hope to see you the early part of August. Please say hello to the gang for me. I'll see Warren when I need some gasoline!--Yours, EDDIE BARON--USMC--CAMP PENDLETON.

~~*~*

Well--thanks fellers, for the swell letters. Nice of the Navy and the Marine Corps to drop us a few lines right now, since we have had no other word from the local Servicemen for quite some time. Incidentally--under "WHO'S WHO IN SERVICE" in the Burlingame Advance, I found the following item; PFC RICHARD R. WAKELEE, whose wife Laura lives at Ross Way, Brisbane (?), was a member of Gen. Mark W. Clark's honor guard recently when the UN Far East commander inspected the First Cavalry Division on Hokkaido. Wakelee was a painter before entering the Army in January, 1951. His parents, Mr. and Mrs. Clyde Wakelee, live at 240 Tulare Street, Brisbane." Gosh, fellows--got to go now--have another three stencils to cut so I can get this issue out! Let's HOPE the good old Byline keeps coming out to you guys!
P.S. BOB MINK, A.F. just dropped in--on leave. ----THE EDITOR.

LATE NEWS FLASHES

(Brisbane, August 7:52)---Just heard that Mr. and Mrs. Bob Boomer, of "BOB'S Balsa Bungalow", 203 Visitation Avenue, have sold their little business and are heading for Detroit, Michigan this weekend. They plan to make their permanent home there. New owners of the the Bungalow (Hobby Shop) are Mr. and Mrs. Victor Melone, of 85 Margaret Road. The Melone's will be open for business after a short period of redecorating and re-stocking.*:*:*:*:* The G & R SERVICE was robbed again last weekend; for the THIRD time! This is getting a little tiresome, as once again it appears to be youngsters who have "ceased the joint" and done the job! Fingerprints are rampant over the place, so it won't be long before the guilty parties are apprehended.*:*:*:* The explosion aboard the U.S.S. BOXER, as reported in Thursday morning's Chronicle, has many of us worried here; as our own Navyman Tony Murill is aboard the Boxer. No news has been received here in regards to his safety as this paper goes to press.*:*:*:* We understand that The Liquor Store's George Ellison has a New York visitor around the place; it's his sister!*:*:*:* One of our local Servicemen seems to be in trouble; he was AWOL, and involved in that "boxing bout" between two Servicemen and the orchestra at the Visvalley Club a couple of weeks ago!*:*:*:* It never rains but that it pours! One of our local ladies, guilty of nothing more than loving her only companions--her dogs--is in trouble because of owning so many of them; and to top it off, the dogs are dying off one by one because a tenant in her home brought home another dog, which died of distemper. But before dying, the sick dog had spread the disease among our friends' purebred dogs. Just last year this lady lost her entire family through a series of deaths, and is now entirely alone; except for her dogs! How much trouble can one human being stand? We hear that the San Mateo County Community Chest is planning an outstanding exhibit at the San Mateo County Fiesta; a 40 foot booth in the Pacific Building. This should be something to see! We see that Kay Glenn-Ivey, the morning local bus driver, is back on the job after her week in Long Beach with her daughters.*:*:*:* Old '77, the G & R Service's "Hard-Top" racer, driven by Art Cirimele, ran "in the money" last Tuesday night; finishing first in the "Heat" and qualifying for the "Main". Congratulations to Don Saylor; we hear he finally slipped the wedding ring on the finger of his steady gal! Got a mighty purty gal there, mister! In regards Brisbane's adverse publicity in all the Peninsula papers last week; we got quite a laugh out of one of them--seems that the Sheriff's Deputy was "held at bay by a desperado with a tear-gas bomb"!---Come on out of there you ol' desperado boy scout, you! We know you,---and your smoke-bombs! Big ol' bad thing, you! Lots of people are razzing the wrong people about "not paying their bills"---in regards the page we had in the last issue of the Byline anent having to close up because advertisers wouldn't pay up for their lithographing. We're sorry for that misunderstanding. You see, it was the Souvenir edition and the Political editions which ran us "in the red"---not the week to week ads we run all the time. Most of the Politicians have now paid up; but there is one certain one who is going to have to explain to the law! In any case, there will be no more lithographing, unless the ad is paid in advance--because the Byline has had to pay those bills out of "friend husband's" paycheck! ---Well, that's all for this time. More next week.---YE EDITOR.

There's no use kidding ourselves that enlightened self-interest isn't a considerable part of the motive of this and many other excursions made by the Chamber of Commerce members in the past few years. After all....there is a big business to be done in our neighborhood stores!
